

LINCOLNSHIRE BEEKEEPERS' ASSOCIATION

Policy on Central Council's Financial Support for District Projects

1. Top priority is given to projects aiming to improve beekeeper education or the education of the public in the importance of beekeeping.
2. Preference will be given to Districts who have not previously received support and no District can apply for support in two consecutive years.
3. Applications must be received by the LBKA secretary before the AGM in the year for which financial help is sought.
4. The amount of funding granted will be entirely at the discretion of Central Council.
5. Districts applying for funds should include the following information;
 - a) The aim/s of the project.
 - b) A clear description of actions planned to achieve the aim/s.
 - c) What the funding from Central Council is to be used for with detailed costings.
 - d) Why the financial support is required and what has been done to raise funds within the District.
6. Any District granted funding support shall write to the LBKA Secretary within 12months of receipt of their grant to inform Central Council what their District has purchased together with copies of the relevant receipts.

This policy was approved by LBKA's Central Council at its meeting on 8th April 2014

Celia Smith, LBKA Hon. Secretary
